branded a cultural chernobyl and the tragic kingdom the euro disney resort has been on its own thrill ride since opening in 1992 the much publicized version of the magic kingdom gave europeans alcohol free mocktails surly employees even colors too muted for the disney image facing financial disaster was it any wonder that disney execs found themselves wishing upon a star for answers after so many knee jerk criticisms of euro disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of american cultural imperialism andrew lainsbury a former euro disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine europe s love hate relationship with euro disneyland and some of the undiscussed issues surrounding it once upon an

american dream is a story of global capitalism on a grand scale lainsbury has plumbed company archives and interviewed key players to give readers the real view from le chateau de la belle au bois dormant sleeping beauty s castle he cracks open the euro disney controversy to reveal the park not as a tragic experiment in exporting american culture but the result of european efforts to import a popular form of american entertainment lainsbury tells how the walt disney company came to build a european park and locate it in france how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from saudi arabia he reveals what it took to win back the hearts of skeptical europeans such as serving wine selling flashy merchandise and placating disgruntled workers finally he looks into the magic mirror to speculate on the role of euro disney and the walt disney company in the twenty first century ultimately lainsbury shows that cultural imperialism is not an exclusively american phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared once upon an american dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what euro disneyland is all about

the scholars included in this collection sought to indicate more contemporary working definitions for the expression american dream or rather dreams the multidisciplinary selections come from many countries and represent scholars from different backgrounds they reflect the current developments and approaches in the field of us studies and we hope to help broaden the scope of programs in higher education institutions the chapters are thematically organized in two sections initial dialogues and comparative dialogues the first one comprises essays that set the foundations for our discussions and intends to familiarize newcomers with the theme the second section extends the possibilities of working comparatively with the american dreams and a number of other interdisciplinary fields of interest for us studies programs

explores the rich history of angels in america from spanish colonialism and puritan culture to modern incarnations found on tv in movies in comic books and on bumper stickers finds that americans have constructed the useful angel as a servant of man rather than an agent of god

as the us deports record numbers of illegal immigrants and local and state governments scramble to pass laws resembling dystopian police states where anyone can be questioned and neighbors are encouraged to report on one another violent anti immigration rhetoric is growing across the nation against this tide of hysteria pilar marrero reveals how damaging this rise in malice toward immigrants is not only to the individuals but to our country as a whole marrero explores the rise in hate groups and violence targeting the foreign born from the 1986 immigration act to the increasing legislative madness of laws like arizona s sb1070 which allows law officers to demand

documentation from any individual with reasonable suspicion of citizenship essentially encouraging states and municipalities to form their own self contained nation states devoid of immigrants assessing the current status quo of immigration marrero reveals the economic drain these ardent anti immigration policies have as they deplete the nation of an educated work force undermine efforts to stabilize tax bases and social security and turn the american dream from a time honored hallmark of the nation into an unattainable fantasy for all immigrants of the present and future

there is no better way to understand america than by understanding the cultural history of the american dream rather than just a powerful philosophy or ideology the dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it no other idea or mythology has as much influence on our individual and collective lives tracing the history of the phrase in popular culture samuel gives readers a field guide to the evolution of our national identity over the last eighty years samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the dream the problem samuel reveals is that it does not exist the dream is just that a product of our imagination that it is not real ultimately turns out to be the most significant finding and what makes the story most compelling

every socially responsible architect should peruse this book and it should be made compulsory reading for every public housing official and developer michael webb I a architect

this book uses the life and work of caffie greene one of the most influential grassroots community activists and public health educators in twentieth century los angeles as a platform to examine the wider story of black women activists in recent united states history caffie greene worked to foster the development of unions black elected officials and black youth leaders within the black panthers and worked with a legion of women leaders to further progress in the fields of health care education youth employment welfare rights public transportation police reform and electoral politics the book traces greene s journey from her childhood plantation life in arkansas to her emergence as one of the most distinguished civil rights activists in los angeles history it provides in depth meticulously researched archival material to amplify the voice of a pivotal woman and analyzes how her contributions impacted the movements of the postwar era examining the pedagogical aspects of social protest as the main resource for consciousness raising among historically marginalized youth and adults caffie greene and black women activists asks the essential question what can we learn about grassroots community organizing that we do not yet know by centering a black woman like caffie greene s life what are the continuities in greene s political work between cold war radicalism black power and black feminism and that strict binaries like integrationist and black separatist nationalism and

socialism and feminism and black power obscure this book will be of key interest to students and scholars studying black activist history black feminism and twentieth century united states history

for millions of people seeking better lives the ideal we call the american dream continues to be the ultimate goal at an early age author stefan adam longed for freedom in america far away from the crushing rule of communism in his native romania after years of struggle and sacrifice stefan realized his dream of coming to america and building that dream this true story unfolds through good times and bad with insightful observation of american society and a never ending desire to understand what makes it great its people culture and politics the story begins on the shores of romania s black sea where 12 year old stefan first dreams of finding freedom and a better life in america far away from the dark clutches of communism years later that dream blossoms along with stefan s love for his high school sweetheart and future wife michaela together they embark on a journey to make their american dream come true and after years of hard work that dream comes into a full blossom readers who come along for the ride will experience the wonder and awe of discovering america through their eyes but as time goes by the promise of that dream begins to fade could it be that corporate greed and political arrogance were eroding the foundation on which this great nation was built is this another roman empire a great civilization doomed to fall under the weight of its own power greed and corruption their struggles exemplify what it means to fight for freedoms that are so often taken for granted and never to give up hope because in the end it is not just the story of stefan and michaela s american dream it s everyone s american dream to nurture and protect what happened to my american dream is a very personal story of hopes and dreams and what happens when those dreams are threatened told in a straightforward conversational style is a touching tale that anyone who has ever longed for a better life will easily relate to it is written by an ordinary citizen who came to this country under extraordinary circumstances what happened to my american dream serves as a reminder that safeguarding the american dream is the responsibility of everyone who has the privilege of calling this great country home

an entertaining cultural history of the american family vacation during the height of its popularity from 1945 to 1973 reveals the ways in which the ritual of the family road trip for most middle class americans became a way of defining what it meant to be and become american

the election of 2008 brought onto the national stage complexities arising when the member of a minority group assumes power over national political institutions it also underlined the limits placed on that power by the double accountability such a figure faces the question posed in this volume of the npsr is might the ascendancy of president obama lead to a deracialization of american politics or its opposite the contributions to this volume examine this question in a variety of ways david wilson and khalilah brown dean analyze black attitudes towards the candidates for the democratic party nomination in the presidential

race of 2008 lorenzo morris asks how perceptions of race have defined expectations of the african american ambassadors to the united nations horace bartilow and kihong eom use a game theoretic approach to examine us drug strategies in the caribbean a works in progress section follows with personal reflections by michael c dawson and andra gillespe they relate how personal concerns and curiosities guide their research a book review section provides a discussion about works of interest to scholars studying black politics

written by personal historians this book is exactly what you would expect it s filled with stories about the people ordinary and extraordinary who invented and reinvented la crosse again and again

after the nixon and ford administrations liberal democrats hoped jimmy carter s election in 1976 would restore the new deal agenda in the white house instead during four tumultuous years in office carter endorsed many of the fiscal and economic policies later espoused by his republican successor ronald reagan but carter also backed most new deal social programs and however reluctantly pursued a traditional containment foreign policy in this book more than a dozen eminent scholars provide a balanced overview of key elements of carter s presidency examining the significance of his administration within the context of evolving american policy choices after world war ii they seek not only to understand the troubled carter presidency but also to identify the changes that precipitated and accompanied the demise of the new deal order by the time carter took office many americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration as this volume demonstrates carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities while most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that carter was more successful than his critics acknowledge these thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy they offer thoughtful assessments of carter s performance focusing on policy both as cause and effect of the post industrial transformation of american society that shadowed his administration a final essay shows how carter s public spirited post presidential career has made him one of america s greatest ex presidents grounded on research conducted at the carter library the carter presidency is an incisive reassessment of an isolated democratic administration from the vantage point of twenty years it is a milestone in the historical appraisal of that administration inviting us to take a new look at jimmy carter and see what his presidency represented for a dramatically changing america
